

BUSINESS ANALYSIS CASE STUDY

Wellness Marketplace
Performance (Q4)

Daysi Contreras
Business Analyst (in progress)

PROJECT OVERVIEW

About WellConnect

WellConnect is a fictional platform that connects clients with wellness professionals (similar to freelance marketplaces).

Focus of Analysis

Operations, Revenue and Customer Experience during Q4.

Objective

Transform raw data into actionable insights to improve platform performance.

KEY QUESTIONS ANSWERED

- How many services were completed, cancelled or rescheduled?
- What is our financial performance?
- Which zones and services perform the best?
- How is the customer experience?
- What actions can drive better results?

DASHBOARD OVERVIEW

Total Services
300

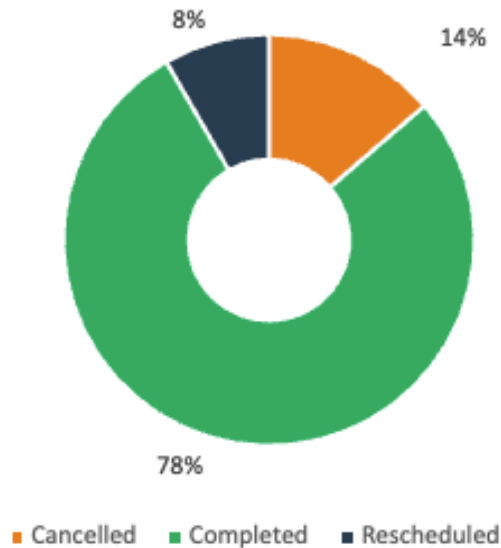

Total Revenue
\$23,924

Completed
234
78.00%

Cancelled
41
13.67%

Rescheduled
25
8.33%

Service Status

Services by Type

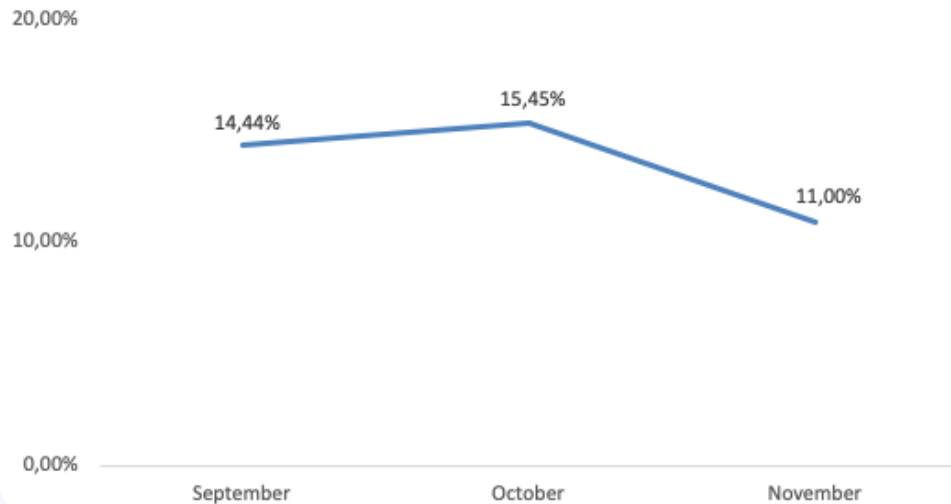

Services by Zone

Yoga is the most requested service (90). North zone leads in total services.

North has the highest average ticket

Zone	Total Revenue	# Services	Avg. Ticket
North	\$7.048,00	84	\$83,90
East	\$6.005,00	77	\$77,99
West	\$5.470,00	69	\$79,28
South	\$5.401,00	70	\$77,16

COMPLAINTS BY DISCOUNT FLAG

Revenue performance is strong but impacted by discount strategies and service quality issues.

QUALITY & RECOMMENDATIONS

TOP COMPLAINT TYPE BY SERVICE & ZONE

Therapy in South zone has the most complaints

- Communication: 2
- Delay: 2
- Quality: 2

Mainly from New clients

TOP 3 BUSINESS PROBLEMS IDENTIFIED

- Q4 data is incomplete (missing December). limiting accuracy for decision making.
- Discounted services receive more complaints, indicating quality or client expectation issues.
- Therapy in South zone has the highest number of complaints (communication, delay, quality) from new clients via Google Ads.

REVIEW DISCOUNT STRATEGY

- Define clear criteria
 - Avoid reactive discounting
 - Monitor Q1
- ⚠ **100% discounted = complaint**

IMPROVE ONBOARDING FOR NEW CLIENTS

- Create onboarding process
- Set expectations
- Follow up after first session

INVESTIGATE THERAPY IN SOUTH ZONE

- Review service quality
- Improve communication

REPLICATE NORTH ZONE SUCCESS

- Apply North best practices
- Extend to other zones

Address quality issues in specific services, optimize discount policies, and improve new client onboarding to reduce complaints, minimize losses, and enhance overall customer satisfaction in Q1.
